LaTonya Wilkins is an award-winning executive coach, keynote speaker, and the founder of Change Coaches. As the best-selling author of *Leading Below the Surface: How to Build Real (and Psychologically Safe) Relationships with People Who Are Different from You*, LaTonya specializes in coaching leaders to foster authentic, psychologically safe connections across differences. Her transformative approach has made an impact at global organizations like Google, Target, The New York Times, and numerous nonprofits, inspiring leaders to thrive in an evolving workplace.

Organizations across industries—including technology, healthcare, higher education, and professional services—turn to LaTonya and Change Coaches for solutions to their most pressing challenges. From preparing leaders for the future of work and advancing women into executive roles to building high-performing, psychologically safe teams, her work emphasizes accountability, trust, and connection. Recognized as a LinkedIn Top Voice in 2024, her expertise has been featured in *Fast Company*, NPR, and *Inc. Magazine*, with her book heralded as a top inclusion resource for executives and HR leaders alike. LaTonya also brings her leadership insights to the classroom as an adjunct lecturer at Northwestern University's Kellogg School of Management, where she equips the next generation of leaders with tools for lasting impact.
