LaTonya Wilkins is an award-winning leadership speaker, executive coach, and the founder of Change Coaches. She is the author of the acclaimed book **Leading Below the Surface** and host of the **Leading Below the Surface Podcast**.

Known for her powerful storytelling and presence, LaTonya delivers keynotes that help leaders navigate uncertainty, rebuild trust, and lead with empathy, courage, and real connection. Her signature frameworks, REAL Leadership™ and the Below the Surface approach, empower audiences to challenge the dominant leadership standard and build psychologically safe, high-performing cultures.

LaTonya has worked with top organizations across industries and is a guest lecturer at Northwestern's Kellogg School of Management. Whether she's speaking to executives, people leaders, or emerging leaders, LaTonya sparks transformation that lasts long after the event ends.
